

Transfer of T/O Position and Personnel Ceiling from DD/S&T to DD/A

Deputy Director for Administration

To 1 and 3:

This is an endeavor at both an economy of paper and, more importantly, common sense.

Comptroller

The reference regulation says the DCI has to approve transfer of ceiling between Directorates. I think this is nonsense and trust you agree. If I sign, and Carl signs, Jack Iams can be informed, as well as Personnel, and the books are balanced.

Let us resolve to have common sense prevail. I will take action to try to get the reference regulation amended.
